From the CEO

Congratulations to the Newdegate Field Days Committee and the Newdegate community and volunteers on the return of the Newdegate Field Days after the forced layoff last year. It was fantastic to see so many people in attendance over the 2 days. The Shire had a new look site this year with some very stunning pictures of the area coupled with the TV scrolling through events and attractions throughout the Shire. We had a lot of people stop for a chat and it was good to catch up with some of the local characters. It was great to receive the bouquets whilst also taking on board some of the brickbats.

Local Government elections

A reminder to everyone that Local Government elections will be held on Saturday 16 October 2021 and there are 6 vacancies to fill within the Shire. Nominations are open for the vacant Council positions until 4.00PM Thursday 9th September 2021. In my opinion there is no better reward than feeling the satisfaction of positively contributing to the growth and sustainability of the community than serving on Council.

Recycling Services

Household Waste Collection is a weekly service and collected each Tuesday for Lake Grace, Newdegate, Lake King & Varley.

Recycling is a fortnightly service and alternates between Lake Grace and Newdegate. See below for the upcoming recycling collection dates.

Lake Grace	Newdegate
Tuesday 14 September	Tuesday 21 September
Tuesday 28 September	Tuesday 5 October

Please Note: There is no kerbside recycling collection service in Lake King or Varley.

The recycling bins are collected by Warren Blackwood Waste and transported to a recycling facility. If items which are not recyclable are found the content can't be recycled and the load will be directed to the landfill.

If an item is covered in food, it is not recyclable. Food is one of the worst contaminators in the recycling process. By using the yellow top recycling bin correctly you are contributing, in a combined community effort, to reduce the amount of rubbish that is directed to landfill facilities each year.
