I, Jeffrey McKenzie of Lake Grace, would like to nominate for a position on the Shire of Lake Grace Council.

Our shire is not just a place; it is a home filled with incredible people and unlimited potential. I believe it is our duty to protect and enhance these qualities for current and future generations.

My journey as a business owner in Lake Grace has given me the privilege of interacting with a large range of residents, each with their own questions and concerns. I am committed to addressing these issues whenever they arise. I have always been an approachable person and I'm ready to listen.

As a current shire councillor, I wish to re-nominate as my vision for Lake Grace is one of sustainable growth. I am dedicated to working with fellow council members, community organisations and residents to achieve these goals. Together we can create a future for our community that we can be proud of.

Thank you for your time and consideration.
