INTRODUCTION

The *Freedom of Information Act 1992 (WA)* gives the public a right to access Western Australian government documents, subject to some limitations. The Department of Local Government, Sport and Cultural Industries take its obligations under the Act seriously and is committed to complying with the aims of the Act.

The aims of the *Freedom of Information Act 1992 (WA)* are to:

- enable the public to participate more effectively in governing the State, and
- make the persons and bodies that are responsible for State and local government more accountable to the public.

They are to be achieved by:

- creating a general right of access to State and local government documents
- providing means to ensure that personal information held by State and local governments is accurate, complete, up to date and not misleading, and
- requiring certain documents concerning State and local government operations be made available to the public.

This document has been prepared for the Shire of Lake Grace to satisfy Part 5 of the Freedom of Information Act 1992, and is correct as at November 2022. Copies of this document may be obtained from:

THE SHIRE OF LAKE GRACE STRATEGIC COMMUNITY PLAN 2017-2027

VISION

“A safe, inclusive and growing community embracing opportunity”

ASPIRATIONAL STATEMENT

Our Aspirations:

- rich in spirit;
- surrounded by nature; and
- valuing our heritage

1. Economic Objective

A prosperous agricultural based economy, supporting diversification of industry

Economic Aspirations and Opportunities

The Shire of Lake Grace community recognise it is vital for the agricultural industry, as the primary economic driver for the district, to continue to be supported for economic stability and growth. Opportunities for small business development and industry diversification were identified by the community, with a desire to see further development.

Development and strong support for the current infrastructure within the district is viewed as essential to ensure continued economic prosperity, in particular the road network which at times comes under considerable pressure due to flooding and seasonal heavy traffic volumes.

2. Environment Objective

Protect and enhance our natural and built environment

Environment Aspirations and Opportunities

The community aspires to protect and preserve the nature reserves and further develop walking trails, parks and gardens and recreation facilities. The challenge of extreme weather (such as flooding) was identified as an area for improvement with potential to investigate flood mitigation opportunities. Combating invasive weeds (such as caltrop) and pests (including mosquitos) was highlighted as a high priority by the community.

Opportunities to promote the natural and built environment and attract an increased number of visitors to the district have been identified with the community eager to support tourism development.

3. Social Objective

A valued, healthy and inclusive community and life-style

Social Aspirations and Opportunities

There was a wish to see more community events organised during the year, and a need for a large annual event in the district.

The health and education services currently provided in the district are viewed as very important and to be retained and developed further. In particular, aged health services were identified for potential development.

The strong community spirit and safe environment were identified as precious and to be protected, with potential to increase engagement and integration between all towns in the district.

4. Leadership Objective

Strong governance and leadership, demonstrating fair and equitable community values

Civic Leadership Aspirations and Opportunities

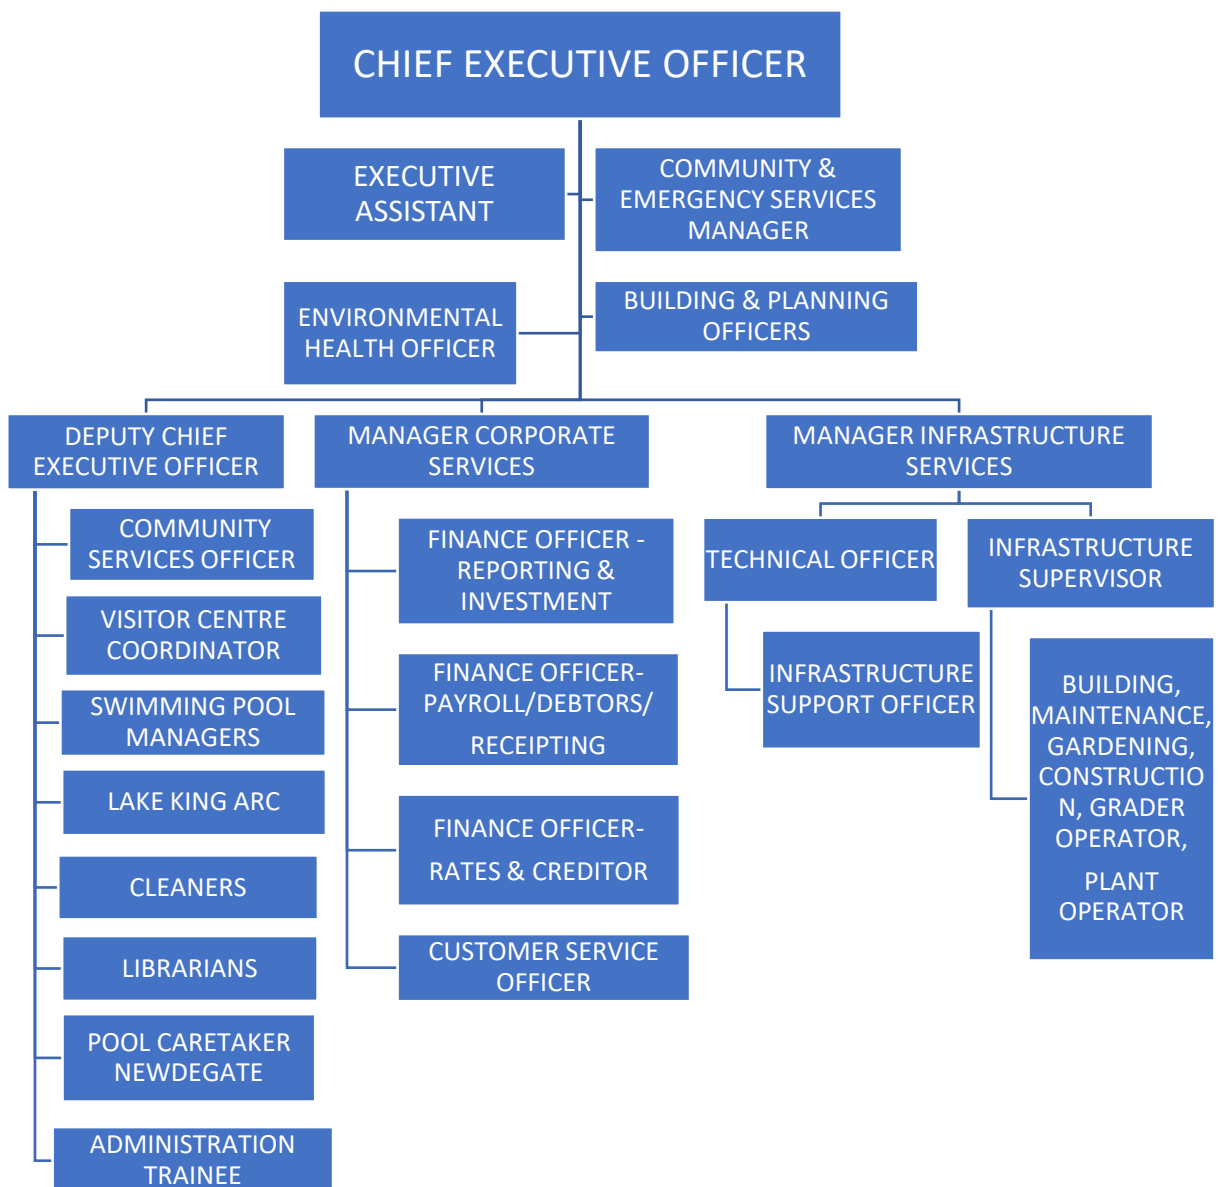

Continuing to build an efficient, effective organisation with strong communication is clearly a community and Council aspiration. The community wants the Shire to continue to advocate for increased services and infrastructure on its behalf.

COUNCIL ORGANISATION STRUCTURE

The current Council decision making body consists of 9 Councillors, including the Shire President who is elected by the Council. The fees and charges are as follows:

- Personal information - No fees or charges apply for applications that are limited to personal information about the applicant only.

Personal Information is defined as any information or opinion, whether true or not, about an individual, whether living or dead, that can identify or reasonably identify that person.

- examining documents, exercising judgment and making decisions on access;
- deleting exempt matter where appropriate;
- preparing a notice of decision; and
- providing access in the manner required.

The Shire of Lake Grace is not entitled to impose a charge for searching for documents. Not all documents held by the Shire of Lake Grace will be able to be released with access being refused on a range of grounds. Applicants who are dissatisfied with a decision of the agency are entitled to ask for an internal review by the agency. Application should be made in writing within 30 days of receiving the notice of decision. These grounds are set out in the Freedom of Information Act. If this is the case the Notice of Decision will provide the reason for refusal of access.

RIGHT OF REVIEW

Applicants have the right of review if they do not agree with a decision made by the department's decision maker. In the first instance, Shire of Lake Grace will conduct an internal review. There are no fees or charges for requesting an internal review.

To gain access to Shire records, a member of the public must make a written application to the Freedom of Information Coordinator as indicated above outlining the records that Applicant wishes to inspect.
