Date of Report	18 April 2025
Senior Officer	Craig Elefsen, Manager Infrastructure Services

Summary

For Council to authorise the transfer of funds from 1210533 “Fitzgerald Rd Resheet SLK 0.00 – 9.76” to new Job “Jarring South Rd SLK 6.00-11.50”.

Background

The 2024/25 Annual Budget allowed \$1,169,904 for gravel resheet and two-coat seal on Fitzgerald Road SLK 0.00-9.76.

The project was completed under budget leaving savings of \$337,885. This has allowed additional asphaltting work to be ordered to improve road surface performance around the intersection areas plus traffic management (still to be done at the time of writing).

On completion of this work there will be a surplus \$272,000.

Fitzgerald Road SLK 0.00-9.76 is fully funded from Roads to Recovery (R2R). With lower expenditure than expected, the remaining R2R funds for this financial year need to be reallocated to a new job. An expenditure report for R2R is to be submitted before the end of April 2025 so now

is our opportunity to redirect funds to either the creation of a new road project or expand the scope of an existing road project.

Comment

With the need to draw down the remaining R2R funds allocated to us, the author recommends bringing a road project forward from next year's road programme. This would be the Jarring South Road Resheet SLK 6.00-11.50.

A new Job for this road project will need to be created to the amount of \$273,500 to utilise outstanding R2R funds.

14.2 PLANNING

14.2.1 PLANNING APPROVALS UNDER DELEGATION P01

The following applications for planning have been approved by the Chief Executive Officer under the Delegation P01 as legislated by the *Planning and Development Act 2005*, Planning and Development (Local Planning Schemes) Regulations 2015 – schedule 2 (Deemed Provisions) clauses 82 to 84 and the Shire of Lake Grace Local Planning Scheme No.4:

There have been no approvals granted under delegated authority in this reporting period.

14.3.1 TEMPORARY ACCOMMODATION POLICY

Applicant	Internal
File No.	0050
Attachments	1. Draft Temporary Accommodation Policy 2. Draft Temporary Accommodation Guidelines
Author	Brendon Gerrard – Environmental Health Officer
Disclosure of Interest	Nil
Date of Report	15 April 2025
Senior Officer	Alan George – Chief Executive Officer

Summary

For council to consider adopting a temporary accommodation policy and guidelines to be incorporated into the Shires policy manual. The policy will provide guidance to support applications seeking approval for temporary accommodation on private property or in an area other than a caravan park.

Background

Changes to extend local government approval powers under WA's Caravan Parks and Camping Regulations came into effect on 1 September 2024.

The reforms streamline the application process for temporary accommodation approvals on private property, cut red tape and offer more flexibility for local governments.

Previously, local governments could only provide approvals for a maximum of 3 months, or up to 12 months if the proposed arrangement was in a caravan and the person had a building or demolition permit. Standard camping approvals for longer than 3 months required a separate application to the Minister for Local Government.

Benefits of the simplified process include:

- no approval required if a person intends to camp on private property for 5 days or less
- applications for longer periods can seek approval from the relevant local government rather than the Minister for Local Government
- local governments can now approve all camping applications for up to 24 months
- applicants may re-apply to the local government on expiry of an approval
- local governments can revoke approvals if an applicant fails to meet the conditions of approval.

All applicants will still need to satisfy the existing conditions for these approvals, including meeting health and safety requirements set out in the [Caravan Parks and Camping Grounds Regulations 1997](#).

Special approval from the Minister for Local Government will still be required if more than one proposed caravan or tiny home on wheels is proposed to be placed on a private lot.

The Minister for Local Government will retain the power to consider camping approvals in instances where a local government does not provide an approval or revokes an approval.

Comment

The draft policy and guidelines have been drawn up in collaboration with the other Shires in the Roe region serviced by the shires Environmental Health Officer. (Corrigin, Kondinin, Kulin & Narembeen). The object is to provide a consistent approach to the management of caravan and camping requirements under the amended regulations.

14.4 ADMINISTRATION

14.4.1 REQUEST FOR SUPPORT – LAKES EQUESTRIAN RIDING CLUB- LAKE KING

Applicant	Lakes Equestrian Riding Club - Lake King
File No.	0556
Attachments	Prospectus
Author	Alan George - Chief Executive Officer
Disclosure of Interest	Nil
Date of Report	4 April 2025
Senior Officer	Alan George - Chief Executive Officer

Summary

The Lakes Equestrian Riding Club (the Club) based in Lake King is seeking support from the Shire of Lake Grace for the establishment of a base for the riding club to be located on Reserve 20321 vested under Management Order to the Shire for recreation and hall.

Background

According to some local historians, land for a pony club was originally set aside in the southeast corner of adjoining Reserve 21238 which is on the corner of Newdegate-Ravensthorpe Rd and Varley Rd. This reserve is also under Management Order to the Shire for Recreation and Museum. There is little or no evidence of any pony club remains on the site as the indicated area is now heavily vegetated.

The Club currently meets at private properties in Lake King and are now seeking a permanent base on which to expand.

The author was originally contacted a month or so ago by Ms Jana McLean, a local farmer on whose land the Club is currently operating, regarding the possibility of using the old Varley pony club site as the new base. The now preferred site is adjacent to the Lake King oval in a large area of cleared bushland that appears to be an unofficial dumping ground for fallen timber, building rubble and grass clippings.

Comment

The Club has now approached us with a proposition to base the Club on Reserve 20321 which currently consists of the town oval and sports facilities and the town hall. (Note, the site also has a go-kart track and buildings however there is no record that can be located at present regarding any agreement, lease or permission to be on the Reserve) The proposed site is largely clear of vegetation and would basically only need a good cleanup to make it usable.

An indicative plan of the area is in the attached proposal. It is envisaged that most of the works will be carried out by the local community.

Both the author and the Manager of Infrastructure Services have visited the site and have confirmed its suitability once cleaned up. The trees on the site are very large mature trees all of which will be retained for shade purposes.

It is intended to utilise the adjoining facilities at the sports pavilion which would also lend additional weight to our grant requests for a new pavilion to be constructed. The Club has outlined the perceived benefits to the town and surrounds in the proposal.

It is considered that this proposal from the Club has merit and as such it is recommended that Council approve the project in principle subject to the exact size of the area required being determined and a confirmed layout being presented.

Legal Implications

The Reserve is under a Management Order to the Shire and as such has the power to lease, sub-lease or licence for the designated purpose any part of the land for any term not exceeding 21 years, subject to the approval in writing of the Minister for Lands being first obtained pursuant also to the provisions of Section 18 of the Land Administration Act 1997.

A suitable lease would need to be prepared.

The Club is in the process of becoming incorporated.

Policy Implications

Nil

Consultation

Manager Infrastructure Services
Ms Jana McLean
Ms Cindy Nicholls

Financial Implications

It would appear at this stage that minimal assistance would be required from the Shire to set up the facilities. Some help would be needed to tidy up the area beforehand.

The Club intends to apply for a community grant in the upcoming shire budget.

Contribution to water usage would need to be determined as would future power requirements. Appropriate grants will be sourced to assist with future enhancements to the area.

Strategic Implications

Summary

The purpose of this report is to present a new Recruitment & Selection Policy for endorsement by Council. The policy establishes consistent, fair, and legally compliant procedures for recruitment across the Shire of Lake Grace, in line with current legislation and best practices.

Background

A review of internal recruitment processes identified a need for a formalised policy that promotes equity, transparency, and compliance with relevant legislation. The policy has been developed to align with Section 5.40 of the *Local Government Act 1995* and other applicable laws.

Comment

The proposed policy aims to:

- Establish fair and transparent recruitment and selection standards.
- Ensure recruitment decisions are based on merit and free from discrimination, nepotism, or patronage.
- Promote compliance with the Equal Opportunity Act 1984 (WA), Work Health and Safety Act 2020 (WA), and other relevant legislation.
- Provide clear guidance to staff involved in recruitment on responsibilities, confidentiality, conflict of interest, and recordkeeping.
- Apply the same rigorous process to internal and external applicants.
- Include guidelines for probationary periods and pre-employment checks.

The policy excludes the recruitment of the Chief Executive Officer, which is governed separately under Policy 4.16. Recruitment of senior employees under Section 5.37 of the *Local Government Act 1995* must be reported to Council and follows this policy framework.

Legal Implications

- *Equal Opportunity Act 1984 (WA)*

Summary

Consideration of the Monthly Financial Reports for the period ending 31 March 2025 and Bank Reconciliations for the month ending 31 March 2025.

Background

The provisions of the Local Government (Financial Management) Regulations 1996 require a monthly financial report to be presented at an Ordinary Council meeting within two (2) months of the period end date.

Comment

As of 31 March 2025, operating revenue was slightly over the target by \$9,119 (0.12%), mostly due to Fees and charges.

Operating expenditure is below YTD budget by \$1,074,353 (8.20%), mainly due to Materials and contracts being down due to delays in operating jobs.

Investing activities revenue is below the target by \$206,016 (8.43%). Proceeds from capital grants are below budget due to some of the "Local Roads & Community" projects income is lower than predicted.

Investing activities expenditure is below the budget by 2,296,479 (28.88%). Payments for property, plant and equipment, and Infrastructure are below the target due to some portion of Capital projects not being initiated as yet (38%) or in an early stage of completion.

Cash at bank is similar to the corresponding period last year. An investment agreement is in place for an Overnight Cash Deposit with WA Treasury Corporation for a total of \$3,626,942, as well as 3 term deposits invested in CBA – a total of \$9,246,089.

Outstanding rates are tracking well and have recovered 98.5% to date.

The General debtor is \$90,595 with no major outstanding debts to follow up.

The monthly financial reports include the accompanying Local Government special purpose financial statements for the Shire of Lake Grace, which comprise the Statement of Financial Activity (by Statutory Reporting Program), a summary of significant accounting policies and other explanatory notes for the period ending 31 March 2025. The financial statements have been compiled to meet compliance with the Local Government Act 1995 and associated regulations.

The Shire of Lake Grace is responsible for the information contained in the financial statements and is responsible for maintenance of an appropriate accounting system in accordance with relevant legislation.

Legal Implications

Section 6.4 of the Local Governments Act 1995 provides for the preparation of financial reports.

In accordance with Regulation 34(5), a report on variances greater than the materiality threshold (\$10,000 and 10% whichever is greater) must be compiled and adopted by Council. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.
