4.0 RESPONSE TO PREVIOUS PUBLIC QUESTIONS TAKEN ON NOTICE

The below email was received at 17:43pm from Mrs Catherine Kelly prior to the Annual Meeting of Electors of 13 April 2022 but was not sighted until the meeting had already commenced.

Question to the Shire Council and residents of the LG Shire:

April 13th, 2022

Are you happy to submit to the same rules that we have been living under if there's another pandemic?

The World Health Organization want Australia to sign up to another binding agreement to give 'them' sovereignty in such a situation. We have surrendered our freedoms of speech, assembly, mobility, religion, and bodily autonomy, for a cold. Because it has been engineered in a lab, it has dangerous features, but these are overcome with early treatment, some of which has been denied to Australians and none of it has been openly promoted by the Health Dept.

The only advantage I can see was the border closures which provided time for COVID19 to weaken before it invaded WA,. That would have occurred quicker without vaccination according to Geert vanden Bosshe, the epidemiologist I've been following since the pandemic began, and herd immunity would likely have been gained by now. Lockdowns haven't worked, social distancing hasn't worked, masks haven't worked and vaccinations don't prevent either transmission or disease.

Due to the lockdowns (and vaccination mandates and other factors), we are faced with supply issues, businesses are going under, people have lost employment and their homes and one and a half billion people are facing starvation. Food riots have begun in various overseas nations. In the last 18 days, three small children have died from vaccine injuries (see the TGA data) and sudden death is evidenced across the world. Unreported vaccine injuries are common knowledge in our own communities.

The mandates are falling but not fast enough. I request the Council seriously consider their stance to another situation like the one we've faced for the last two years. I believe this issue, like climate change, is about control, not the health of our nation or indeed the world. Please check out the World Economic Forum for an illustration of the agenda of world elites.

Thank you.

Catherine Kelly

During the Annual Meeting of Electors held on Wednesday 13 April 2022 at 6:30 pm at the Lake King Hall, Council resolved the following:

RESOLUTION 031

Moved: Cr Hunt Seconded: Cr McKenzie

That Council acknowledged receipt of the email from Ms Catherine Kelly and present the matter during the Ordinary Council meeting of 27 April 2022.

CARRIED: 7/0

THE FOLLOWING IS THE ADMINISTRATION'S RESPONSE TO THE QUESTION:

Local governments are not responsible for public health matters and have no jurisdiction over the State Government's mandates in relation to COVID-19 vaccinations.

The Shire of Lake Grace is required to follow the directions from the State Government in relation to COVID-19 restrictions.

It is open to any citizen or resident, or group of citizens or residents, to petition the State government through the Legislative Council to take action in relation to any matters that fall within their authority.

Summary

For Council to **receive** the report from 360 Environmental regarding further requirements requested by the Department of Water and Environmental Regulation (DWER) on the possible contamination of Lot 13598 Dumbleyung Lake Grace Road, Lake Grace WA.

Background

The Lake Grace Lions Club wish to construct a walk trail on Reserve 21558. On 2 October 2019, this site was classified as *Possibly Contaminated - Investigation Required*.

The site on which the Lions Club wishes to build the walkway is located on the western edge of Lake Grace, 8kms west of the town on the Dumbleyung, Lake Grace Road adjacent to the current rest area. The reserve was originally used as a sanitation disposal site many years ago. It was also believed to be used as a landfill site and there is evidence of rubbish and asbestos on it.

DWER requested a Preliminary Site Investigation and this was carried out in December 2019 by 360 Environmental who prepared the report and presented it to DWER.

DWER responded to the report in February 2020 advising that the site requires further investigation and the classification will remain unchanged at this time.

Comment

360 Environmental was engaged to undertake the additional investigations and the report was received on 8 April 2022.

The result indicate that the site was not originally used as landfill, but appeared to merely be a site of fly dumping rubbish and asbestos on the surface. In addition, DWER's concern of some other underlying chemical readings within the site which required additional investigation proved unfounded as these readings were considered comparable with the readings taken off site.

The report has now been sent to DWER for comments and future requirements for the area in question.

The results however, may be completely moot with regards to the Lions Club of Lake Grace's proposal to install a boardwalk. The land has now been identified for inclusion in the Southwest Native Title Settlement package and as such, will **not** be available in the foreseeable future.

The full report will be made available on request.

Summary

The Bush Fire Advisory Committee, at its meeting on Wednesday 30 March 2022, reviewed the Terms of Reference and Council is asked to **accept and approve** the changes to the Terms and Conditions as per attached and update the document Council Committees and Advisory Groups Guide.

Background

The Terms of Reference of the Bush Fire Advisory Committee was adopted by Council on 21 October 2015 under Resolution / Motion 12158. This Committee was established pursuant to Section 5.8 of the Local Government Act 1995 and to Section 67 of the Bush Fires Act 1954.

The Committee makes recommendations and advise Council on matters pertaining to the Bush Fires Act 1954 Section 67(1) and at the same time liaise with other relevant emergency services organisations and group relating to the fire and emergency management within the Shire of Lake Grace.

Comment

The <u>updated</u> Terms of Reference have been proposed to better reflect the current operation of the committee. A summary of changes is listed below:

- Removed Membership list with names, as it duplicated membership list with roles
- Amended membership list to current FCO roles, e.g. 1xDCBFCO, 3xSenior FCO's and added missing brigades to give representation / voting rights to all brigades.
- Removed requirement for a secret ballot and replaced with a show of hands.

The changes outlined in the amended Bush Fire Advisory Terms of Reference will be included in the Council Committees and Advisory Groups Guide.

<u>Summary</u>

The purpose of this report is for the Council to consider the review of the Local Emergency Management Arrangements and the associated recommendation from the 10 February 2022 Shire of Lake Grace Local Emergency Management Committee meeting.

Background

This item was presented at the Ordinary Council Meeting of 23 March 2022 and was resolved under:

RESOLUTION 13555

Moved: Cr Hyde Seconded: Cr Hunt

That Council lays this item on the table to allow further amendments and corrections to be made.

CARRIED: 9/0

Under the Emergency Management Act 2005 ('the EM Act'), local governments are required to have local emergency management arrangements. Local governments are the closest level of government to their communities and have access to specialised knowledge about the local environment and demographic features of their communities. Effective local emergency management arrangements enhance the community's resilience and preparedness for emergencies through strategies that apply prevention/mitigation, preparedness, response and recovery measures.

In addition to ensuring that effective local emergency management arrangements are prepared and maintained and managing recovery following an emergency in its district, each local government is required to establish and maintain a local emergency management committee (LEMC). The functions of the Shire of Lake Grace LEMC are documented in the EM Act under section 39:

- a) to advise and assist the local government in ensuring that the local emergency management arrangements are established for its districts;
- b) to liaise with public authorities and other persons in the development, review and testing of local emergency management arrangements; and
- to carry out other emergency management activities as directed by the SEMC or prescribedby the regulations.

The Local Emergency Management Arrangements (LEMA) document has now been amended and presented to Council for endorsement and adoption.

Comment

The minutes of the 10 February 2022 LEMC meeting are attached with a recommendation to Council to endorse the Local Emergency Management Arrangements (LEMA) and associated plans for the Shire of Lake Grace.

In accordance with relevant legislation the plans have been reviewed by the LEMC and this report seeks Council's endorsement. Adoption of the plans will ensure the Shire remains compliant with legislative responsibilities in accordance with the EM Act 2005 and relevant State Emergency Management plans and policies.

Once adopted by Council, the LEMA document must be submitted to the State Emergency Management Committee (SEMC) via the District EMC in order to complete the approval process.

Following the 23 March 2022 Ordinary Council meeting, the LEMA document was further updated to remove document links which had failed causing issues within the document. Identified document content issues were reviewed and updated with information held on hand or verified by administration staff. Some improvements noted by Cr Clarke were deemed to be not critical to the intent or use of the document with appendices to be updated as information comes to hand.

Date of Report:	22 April 2022
Senior Officer:	Mr Matt Castaldini Community and Emergency Services Manager

Summary

The Bush Fire Service WA is conducting a Bush Fire Service Training for the farm responder and/or town bush fire brigade members as well as fire control officers. Council is asked to **endorse** the attached Bush Fire Service Training Program and the Implementation Guide for the Shire of Lake Grace.

Background / Comment

The training program is designed for progressive and safe training of specific response roles or capability roles including farm responders or town bush fire brigade members and fire control officers. There are one or more courses within the training stream that must be completed. Participants may simultaneously undertake more than one training stream as follows:

- Ease of targeting brigade profile requirements this will be easy for brigade members to identify and target training needs.
- Flexibility will allow volunteers flexibility in their training
- Choice will be easy to understand and complete
- Capability the courses have been selected to build capability and capacity in the Shire.

Legal Implications

Work Health and Safety Act 2020

A Shire of Lake Grace Bush Fire Service Training Program has been developed in consultation with the Bush Fire Advisory Committee to establish a minimum requirement for training of volunteers within the Shire. The program has been written to reflect that we have different levels of volunteers each with vary degrees of responsibility, authority and access to equipment. Instead of issuing a minimum standard, we have developed a complete program from a Farm Responder to the Chief Bush Fire Control Officer.

This training program is to help aid our compliance with the Work Health and Safety Act 2020, and simultaneously develop capability and capacity into our Shire Bush Fire Service to better serve the community in the response to emergency incidents.

Summary

Consideration of the Monthly Financial Reports for the period ending 31 March 2022 and Bank Reconciliations for the month ending 31 March 2022.

Background

The provisions of the Local Government Act 1995 and associated Regulations require a monthly financial report is presented at an Ordinary Council meeting within two (2) months of the period end date.

Comment

As at 31 March 2022, operating revenue over target by \$76,046 (1.13%) mostly due to Operating grants and Rates received earlier than budgeted. Interest earnings below target due to low interest rates. Fees and Charges are below budget along with other revenue.

Operating expenditure is under YTD budget by \$1,588,349 (18.89%) mainly due to Materials and contracts, employee and overhead costs down as well as utility charges. Depreciation and Insurance expenses on the other hand are slightly over the budget target.

The capital program is below the target by \$3,306,754 (67.56%). Capital grants and contributions are down due to some of Local Roads & Community and Drought & Community projects are not yet initiated/finalised, funds will be recognised later in financial year. Payments for property, plant and equipment are below target as well due to slow-down in capital projects. This leads to Capital grants income decrease being offset by the reduction in payments for property, plant and equipment.

Cash at bank is similar to the corresponding period last year, an investment agreement for 2 term deposits with Bankwest is in place (total of \$6,508,205).

Outstanding rates is tracking well and have recovered 98.2% to date.

General debtor is \$116,463 with no major outstanding debts to follow up.

The monthly financial reports include the accompanying Local Government special purpose financial statements for the Shire of Lake Grace which comprises the Statement of Financial Activity (by Statutory Reporting Program), a summary of significant accounting policies and other explanatory notes for the period ending 31 March 2022. The financial statements have been compiled to meet compliance with the Local Government Act 1995 and associated regulations.

The Shire of Lake Grace is responsible for the information contained in the financial statements and is responsible for maintenance of an appropriate accounting system in accordance with relevant legislation.

Legal Implications

Section 6.4 of the Local Governments Act 1995 provides for the preparation of financial reports.

In accordance with Regulation 34(5) a report on variances greater than the materiality threshold (\$5,000 or 10% whichever is greater) must be compiled and adopted by Council. As this report is composed at a program level variance commentary considers the most significant items that comprise the variance.

Cr Ross Chappell declared a Disclosure of Interest Affecting Impartiality on Item 14.6.1 - Newdegate Machinery Field Days 2022 Sponsorship Agreement as the author of the report is his wife Mrs Cheryl Chappell, a staff of the Shire of Lake Grace.

Cr Roz Lloyd declared a Disclosure of Interest Affecting Impartiality on Item 14.6.1 – Newdegate Machinery Field Days 2022 Sponsorship Agreement as Cr Lloyd is a Committee Member of the Newdegate Machinery Field Days, Inc.

Summary

The purpose of this report is for Council to **endorse** the Newdegate Machinery Field Days Inc., 2022 Sponsorship Agreement.

Background

Previously the Shire of Lake Grace has entered into a sponsorship agreement that provides Shire Works staff to assist with preparation of site and provide waste disposal service throughout the Newdegate Machinery Field Days Inc. annual event to the value of \$12,500 plus a cash component of \$2,500 – having a total sponsorship value of \$15,000.

Comment

The Newdegate Machinery Field Days Inc. Committee request the Shire of Lake Grace to continue as a Major Sponsor for the 2022 Newdegate Machinery Field Days Inc. event.

The 2022 Sponsorship Agreement covers the provisions of:

- 1. Continuation as a "Major Sponsor" of the 2022 Field Days to the amount of \$2,500 (plus GST) of this cash component, \$1,500 is for the Shire of Lake Grace Acquisition Prize in the Art Exhibition and Competition.
- 2. Contracted rubbish removal at the Field Days site:
 - a. A Warren Blackwood Waste compactor rubbish truck shall be stationed at the Recreation Centre car park from Wednesday 7 September until Friday 9 September to receive rubbish.
 - b. The compactor rubbish truck shall empty all bins around the entire Field Days site on Wednesday at 7.00am and 5.00pm, on Thursday at 7.00am and 5.00pm, and on Friday at 1.00pm. If further rubbish collection is required on the Monday after Field Days, the Field Days committee will contact the Shire to arrange.
 - c. The compactor rubbish truck is not permitted to drive through the Field Days grounds between 8am and 5pm on Wednesday and Thursday.
 - d. Shire staff will be responsible for collecting full rubbish bins and ferrying them in a suitable vehicle to the compactor rubbish truck at regular intervals throughout Wednesday and Thursday as required, with a focus on all kitchen areas by 2pm. As full bins are removed, an empty bin will be substituted to maintain a consistent waste management service.
 - e. Shire staff to insert bin liners in bins located at the main food areas, liners to be supplied by the Field Day Committee, to minimise contamination and odour.
 - f. Provide two (2) recycling skip bins: one to be placed behind the Family Interest Pavilion and one near the Cattle Display on site 166.
 - g. The contents of the bins located in the "fireworks zone" are to be removed before 8.00am on Thursday 8 September.
- 3. Provide a water truck to damp down the laneways from Tuesday afternoon to Thursday afternoon (weather depending).
- 4. Provide the necessary maintenance required for gardens, entry statements, the airstrip, the Field Days' site and other town facilities in the lead up to the 2022 Field Days, to ensure they are in the best possible condition for the event.
- 5. The Field Days Committee will utilise the Shire of Lake Grace's SMS Messaging service to contact committee members advising them of monthly or special meetings.
- 6. The Shire to have direct link to the Field Days' website on the Shire of Lake Grace website.
- 7. Sponsorship term will be from 1 July 2022 until 30 June 2023 inclusive.
- 8. The Shire of Lake Grace has the opportunity to continue the sponsorship for future field days.

- 9. A representative from the Shire to be invited to officiate at prize presentation functions or official opening, where applicable.
- 10. The Shire of Lake Grace to arrange booking and payment for Billboard advertising with WA Billboards, on a single side of the Billboard located at the southern entrance to Newdegate, from the period of August September 2022.
- 11. The Shire of Lake Grace will receive Site 35 in the Family Interest Display Pavilion (8m x 3m) with a 20% discount of the advertised application fee.
- 12. The Shire of Lake Grace logo is to appear on advertisements (press, radio and television) and any other promotional materials organised by the Field Days.
- 13. The Shire of Lake Grace will receive logo acknowledgement on the website with a link back to the Shire of Lake Grace webpage.
- 14. The Shire of Lake Grace will receive logo acknowledgement in the Newdegate Machinery Field Days Official Program.
- 15. The Shire of Lake Grace has the opportunity to display promotional handouts, brochures and banners, where relevant, from their site in the Family Interest Display Pavilion.
- 16. The Shire of Lake Grace is to receive free announcements over the *Adasound* PA and '*Agrowplow* 93.1FM' Radio during the Field Days. The Shire of Lake Grace is to supply a 30 second script to the Sponsorship and Promotions Officer.
- 17. The Shire of Lake Grace is welcome to discuss the possibility of media interviews and media releases to promote their support with the Sponsorship and Promotions Officer.

Legal Implications

Local Government Act 1995

- 6.8. Expenditure from municipal fund not included in annual budget
- (1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure
 - (a) is incurred in a financial year before the adoption of the annual budget by the local government; or
 - (b) is authorised in advance by resolution*; or
 - (c) is authorised in advance by the mayor or president in an emergency.
 - * Absolute majority required.
- (1a) In subsection (1) —

additional purpose means a purpose for which no expenditure estimate is included in the local government's annual budget.

- (2) Where expenditure has been incurred by a local government
 - (a) pursuant to subsection (1)(a), it is to be included in the annual budget for that financial year; and
 - (b) pursuant to subsection (1)(c), it is to be reported to the next ordinary meeting of the council.

COVID-19 impacting outside crew significantly, with inside staff only impacted by family contacts at this stage. Outside staff impacts include Grader Operators and Maintenance staff.

8.2 WA POLICE

COVID-19 impacting WA Police in the region. There are plans in place for 'losing' stations when all staff are in isolation across the district to ensure service delivery during periods of impact. There are further plans to go into 'cells' to share staff across the broader region if there are significant concurrent impacts to staffing availability.

There is a new drone capacity from Albany for Land Search and Rescue, based in Albany. The drone has a thermal imaging camera on board which also adds to its capability. This resource can be requested through the Lake Grace police if required. It was utilised effectively at several searches recently.

We have heard anecdotal reports of an estimated impact to half of the Lake Grace DHS in relation to COVID-19.

8.5 ST JOHN AMBULANCE (SJA)

<u>SJA Lake Grace (Ross Chappell)</u> - everything is pretty much business as usual at the moment with no significant impacts observed locally. Training has shifted to Wednesday nights, with 2 new people joining in Lake Grace recently.

<u>Community Paramedic (Barry Grady)</u> COVID-19 is here, although not really impacting ambulance services locally, in Lake Grace or other Shire townsites. Business continuity plans well and truly in place with crews and capability being managed around the state. Volunteers have been asked to provide support to other country areas to try provide service continuity.

SJA does not have capacity for minor calls, primarily in the metro area due to ramping. You may have seen or heard media reports and information about this. Country areas still have some capacity; however, people are being encouraged to bring themselves or others to hospital where possible. Kukerin, Dumbleyung, Wagin, Narrogin, Northam all have crews isolating.

9.0 GENERAL BUSINESS

General Discussion:

We need to do an exercise, it can be desktop or practical. We will aim for a Police lead exercise in August, all agencies are encouraged to attend.

Len: In relation to the LEMA/ nominated welfare centres, the catering equipment at the Newdegate Pavilion rotates semi-regularly, we need to ensure we maintain awareness of what we retain on hand. The Newdegate Field Day Committee is likely the best initial point of contact. Additionally, the Newdegate sheep yards have been retained for an agricultural isolation/ animal welfare location.

Josh: From experience over summer, it was challenging to find a location for command/ control or welfare while the fire incidents were occurring due to widespread power outages. It is critical to have backup power generation capability at key locations.

Alan: This is a consideration with annual budget preparations coming underway. We should also identify what generators are available in the community.

Matt: We cannot always rely on farmers to provide generators, we struggled to get machinery and water tankers at the Newdegate Complex of incidents in February.

Len: The Newdegate field days use generators/ have capability to connect generators due to the increased power demand that comes with the field day. We should investigate what is required to power the pavilion in the case of an emergency.

Action item: Create a list of equipment available around the district.

5.0 MEMBERS REPORTS

5.1 LAKE GRACE LIBRARY REPORT

Book exchange and VDX are all up to date. Accessioning is ongoing at the moment.

What a month I've had. The library system, Amlib, went down on the first Wednesday of the school holidays (of course) and three weeks later, with the big help of Principal Darren Simpson, I was connected. I then had the big task of returning all the returned books onto the system them shelving them, but the biggest job was entering all the issued books that had been written down.

I am still on trial with our new library system, Oliverv5. I am hoping to be connected to the new system on the 31 May 2022. Darren has contacted Softlink and IT Solutions. Softlink have agreed to extend our subscription to February 2023.

Mrs Lisa O'Neill brings the year 7/8/9 and 10 to the library once a week. She has got many of the non-readers enjoying the Graphic novels.

Borrow Box Audiobooks is proving popular again, with three people joining in the last three days.

I have purchased 30 fiction books for the library using shire budget money. They are still to be accessioned.

Statistics since the last meeting:

March 2022	Issues & Renewals	515	Borrower Visits	297
April 2022	Issues & Renewals	91	" "	40
(N.B: No Library	system for most of April an	d schoo	ol holidays)

5.2 LAKE GRACE COMMUNITY RESOURCE CENTRE REPORT

It remains busy at the CRC. The Lakes Link is going well with good support from the winter sports for notes. We do need more articles but unfortunately unless the material or information is given to us there's little we can do.

Our truck training and accreditation went well with 15 taking part. We received funding through RSL to manage the ANZAC Day breakfast, not a huge attendance as it was a long weekend though those who do go prefer the early morning service. Crochet has restarted and we've been having a good attendance and the CRC have organized an Art for Seniors morning each fortnight to try and make up for the loss of services to the seniors with COVID.

The Driver Reviver was out for Easter, with 120 stopping to use the service. The Men's Shed have received another \$7,000 in grant funding for their shed extension and have also put a small application in to the Shire as part of the community funding.

The outdoor exercise equipment has been ordered and will be delivered in July.

We seem to be on track for our Bushcare project, tree guards will be delivered within the week and the trees will be picked up in early June. The busy bees for tree planting have been set for June 12th and 19th. We definitely need more people to help out.

We have just taken delivery of a new photocopier.

The CRC is handing out RATs, we have limited to one pack per single and two packs per family to try and keep the stocks lasting a few weeks. We also have a huge stock of masks.

The CRC is well ahead with their statistics and is looking forward to another five years of state funding.

8.0 DATE OF THE NEXT MEETING

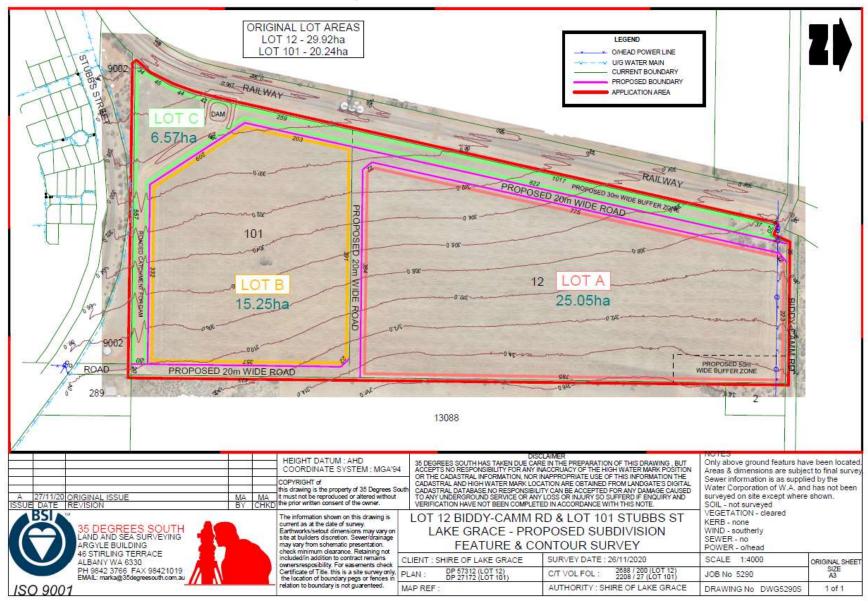

8.1 LAKE GRACE LIBRARY RESOURCE AND COMMUNITY RESOURCE COMMITTEE MEETING

The next Lake Grace Library Resource and Community Resource Centre Management Committee Meeting is on Tuesday 2 August 2022, commencing at 11.00am at the Lake Grace Community Library, School Place, Lake Grace WA.

9.0 CLOSURE

There being no further business to discuss, the Chairperson closed the meeting at 11:30am.

Attachment 1 - Proposed Agricultural Industrial subdivision and road reserve

Attachment - Item 14.4.1 - Shire of Lake Grace - 2022 Extraordinary Elections

LGE 028

WESTERN AUSTRALIAN Electoral Commission

Mr Alan George Chief Executive Officer Shire of Lake Grace PO Box 50 LAKE GRACE WA 6353

Attention: Ms Racelis Rose

Dear Mr George

Extraordinary Election

Thank you for your email dated 28 April advising of a Councillor's resignation in the district and requesting a cost estimate for the Commission to conduct an extraordinary election to fill the vacancy.

The estimated cost for the Commission to conduct an extraordinary election if conducted as a postal ballot is \$10,000 inc GST, which has been based on the following assumptions:

- 900 electors
- response rate of approximately 50%
- 1 vacancy
- count to be conducted at the offices of the Shire of Lake Grace
- appointment of a local Returning Officer
- regular Australia Post delivery service to apply.

An additional cost of using Australia Post Priority Service for the delivery of election packages is approx. \$270 including GST.

Costs not incorporated in this estimate include:

- non-statutory advertising (ie any additional advertisements in community newspapers and promotional advertising)
- any legal expenses other than those that are determined to be borne by the Western Australian Electoral Commission in a Court of Disputed Returns
- one local government staff member to work in the polling place on election day

The Commission is required by the Local Government Act to conduct local government elections on a full cost recovery basis and you should note that this is an estimate only and may vary depending on a range of factors including the cost of materials or number of replies received. The basis for charges is all materials at cost and a margin on staff time only.

The current procedure required by the Act is that my written agreement has to be obtained before the vote by Council is taken. To facilitate the process, you can take this letter as my agreement to be responsible for the conduct of the local government extraordinary election for the Shire of Lake Grace in accordance with section 4.20(4) of the *Local Government Act 1995*. My agreement is subject to the proviso that the Shire of Lake Grace also wishes to have the election undertaken by the Western Australian Electoral Commission as a postal election.

In order to achieve this, your Council would need to pass the following two motions by absolute majority:

- Declare, in accordance with section 4.20(4) of the *Local Government Act 1995*, the Electoral Commissioner to be responsible for the conduct of the extraordinary election.
- Decide, in accordance with section 4.61(2) of the *Local Government Act 1995* that the method of conducting the election will be as a postal election.

I have enclosed an election schedule for a suggested election date of Friday 19 August 2022.

I look forward to conducting this election for the Shire of Lake Grace in anticipation of an affirmative vote by Council.

If you have any further queries please contact Phil Richards, Manager Election Events, on 9214 0443.

Yours sincerely

Robert Kennedy

MONTHLY FINANCIAL REPORT FOR THE PERIOD ENDED 30 APRIL 2022

BASIS OF PREPARATION

BASIS OF PREPARATION

The financial report has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and notfor-profit entities) and interpretations of the Australian Accounting Standards Board, and the Local Government Act 1995 and accompanying regulations.

The Local Government Act 1995 and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost rather than at fair value. The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 14 to these financial statements.

SIGNIFICANT ACCOUNTING POLICES

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

GOODS AND SERVICES TAX

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

ROUNDING OFF FIGURES

All figures shown in this statement are rounded to the nearest dollar.

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for impairment of receivables is raised when there is objective evidence that they will not be collectible.

KEY INFORMATION

Prepaid rates are, until the taxable event for the rates has occurred, refundable at the request of the ratepayer. Rates received in advance give rise to a financial liability. On 1 July 2020 the prepaid rates were recognised as a financial asset and a related amount was recognised as a financial liability and no income was recognised. When the taxable event occurs the financial liability is extinguished and income recognised for the prepaid rates that have not been refunded.

SIGNIFICANT ACCOUNTING POLICIES

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the local government includes the cost of all materials used in the construction, direct labour on the project and an appropriate proportion of variable and fixed overhead. Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. Assets carried at fair value are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

KEY INFORMATION

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

KEY INFORMATION

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee benefits

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

Ordinary Council Meeting - 5 May 2022

Attachment - Item 14.6.1 - Shire of Lake Grace Disability Access Inclusion Plan (DAIP) Progress Report 2021/2022

Disability Access and Inclusion Plan (DAIP) Progress Report 2021/2022

A Western Australia for Everyone: State Disability Strategy 2020-2030 (the Strategy) sets the foundation for building a more inclusive Western Australia. The Strategy intends to protect, uphold and advance the rights of people with disability living in Western Australia. The vision of the Strategy is that people with disability, and those who share their lives, are engaged and feel empowered to live as they choose in a community where everyone belongs.

The Strategy references the role of Disability Access and Inclusion Plans (DAIPs) as an important way of ensuring that public authorities continue to improve access and inclusion outcomes for people with disability.

Collecting information about the effectiveness of DAIPs through a Progress Report is a requirement of the <u>Disability Services Act 1993</u>. The information will be used by the Minister for Disability Services to report to the Western Australian Parliament in by December 2022.

DAIP progress report due date is Friday 29 July 2022.

Reporting guidelines

- You need to answer all questions.
- Submit a Word version of your report to statedisabilitystrategy@communities.wa.gov.au
- An activity is an action or initiative which advanced your DAIP strategies over the reporting period. In most cases, activities will have been completed within the reporting period.
 Where ongoing key actions or established practices have significantly progressed, you may consider these relevant to your report.
- Detail as many activities as you consider appropriate. The description of an activity should include:
 - Why the activity was implemented.
 - What was done.
 - The outcome or impact of the activity, and any learnings associated with the activity.
 - Where possible, include evidence such as direct quotes or feedback, quantitative/qualitative data and photos or other imagery. Permission from individuals featured in photos should be sought and made available upon request.
- Key areas of interest for the 2021/2022 Reporting period include:
 - Disability employment In particular, any available data about the number of people with disability employed in your organisation, and where activities have increased the rate of employment under DAIP Outcome 7.
 - How the influence of your DAIP extends outside your organisation- For example activities led by agents or contractors of your organisation, or by other external parties. Please include such activities in the most appropriate outcome area.
 - Examples of innovation Where you have adopted new approaches or techniques to enhance or safeguard access and inclusion or improved the capacity to implement and evaluate DAIP activities.
