Author	Alan George – Chief Executive Officer
Disclosure of Interest	Nil
Date of Report	26 August 2025
Senior Officer	Alan George – Chief Executive Officer

Summary

Cooperative Bulk Handling Limited (CBH) is requesting a further 12 month approval for the temporary bulkheads located on Lot 216 North Newdegate Road, Newdegate and is seeking Council approval for the exemption of the need to receive Council's formal development approval.

The facility may only be required if the new facility east of Newdegate is not finished in time due to weather delays.

Background

At the Ordinary Council Meeting of 28 August 2024 Council passed the following Resolution:

RECOMMENDATION / RESOLUTION

RESOLUTION 13912

Moved: Cr Lloyd
Seconded: Cr Hyde

That Council support and approve Cooperative Bulk Handling Limited's request to waive the requirement for development approval for the temporary use of emergency grain storage infrastructure on portion of Lot 216 on Deposited Plan 73436 Newdegate North Rd, Newdegate for a further twelve (12) month period from the date of Council's decision subject to the following conditions:

- 1. CBH is to provide written notification to the Shire of Lake Grace of the commencement of the temporary works and use*
- 2. There is to be no encroachments proposed on any portion of Lot 216 containing the floodplain area associated with Lake Stubbs which is classified 'Conservation' reserve in the Shire of Lake Grace Local Planning Scheme No.4 (LPS4)*

3. *All stormwater drainage associated with the proposed development on the subject land shall be contained and disposed of on-site; and*
4. *All infrastructure the subject of this temporary approval shall cease to be used at the end of the temporary approval term, shall be removed from the land in its entirety within 28 days of expiry of the approval term including reinstatement of the land to its pre-development condition insofar as possible.*
5. *Should CBH decide that they would like to retain the temporary infrastructure on a permanent basis, a development application shall be prepared and submitted to the Shire, including a traffic impact assessment and stormwater drainage management plan, requesting Council's formal development approval with the infrastructure unable to be used beyond the temporary approval term until and unless Council approves the development application.*

CARRIED: **7/0**

For: **Cr Armstrong, Cr Hunt, Cr Chappell, Cr Lloyd, Cr Hyde, Cr Kuchling, Cr Clarke**

Against: **Nil**

Comment

CBH made a similar request in July 2024 to allow the temporary bulkheads to remain whilst investigations were made for the development of Lot 300 Newdegate – Ravensthorpe Rd east of Newdegate townsite.

At that time Town Planner, Joe Douglas, advised that he could see no reason why the Shire couldn't continue allowing Lot 216 to be used on a temporary basis for a further 12 months provided the Shire made it clear to CBH the existing improvements constructed on the land must be removed within a designated period of time at the end of the temporary approval period unless otherwise approved by the Shire.

The new development is well underway and it is planned that the facility will be available for the 2025 harvest.

We have now been advised that the recent rain has delayed works and CBH may now need to keep the Newdegate North site available in case the new site is not finished on time.

The recent rains have also resulted in a review of the projected harvest with an increase expected which has further added to the storage problem.

There is no reason seen not to provide this extension of time as a back up if the new site is not finished in time. All previous conditions are to remain the same.

Author	Mrs Victoria Fasano - Senior Finance Officer Investments & Reporting
Disclosure of Interest	Nil
Date of Report	30 June 2025
Senior Officer	Mr Alan George - Chief Executive Officer

Summary

Consideration of the Monthly Financial Reports for the period ending 30 June 2025 and Bank Reconciliations for the month ending 30 June 2025.

Background

The provisions of the Local Government (Financial Management) Regulations 1996 require a monthly financial report to be presented at an Ordinary Council meeting within two (2) months of the period end date.

Comment

As of 30 June 2025, operating revenue was over the target by \$2,243,603 (26.96%), mostly due to a portion of 25/26 FY Financial Assistance Grants paid in advance.

Operating expenditure is below YTD budget by \$1,189,252 (6.83%), mainly due to Materials and contracts being down due to delays in operating jobs. On the other hand, Finance costs are over the budget due to accrued interest on Loan 205 WACHS Housing was not budgeted for.

Investing activities revenue is below the target by \$806,445 (18.96%). Proceeds from capital grants are below budget due to "Local Roads & Community" projects' income being lower than predicted.

Investing activities expenditure is below the budget by \$3,350,350 (30.67%). Payments for property, plant and equipment, and Infrastructure are below the target due to some portion of Capital projects not being initiated (30%) or in an early stage of completion.

Cash at bank is similar to the corresponding period last year. An investment agreement is in place for an Overnight Cash Deposit with WA Treasury Corporation for a total of \$12,679,316.

Outstanding rates are tracking well and have recovered 99.1% to date.

The General debtor is \$258,153 with no major outstanding debts to follow up.

The monthly financial reports include the accompanying Local Government special purpose financial statements for the Shire of Lake Grace, which comprise the Statement of Financial Activity (by Statutory Reporting Program), a summary of significant accounting policies and other explanatory notes for the period ending 30 June 2025. The financial statements have been compiled to meet compliance with the Local Government Act 1995 and associated regulations.

The Shire of Lake Grace is responsible for the information contained in the financial statements and is responsible for maintenance of an appropriate accounting system in accordance with relevant legislation.

Legal Implications

Section 6.4 of the Local Governments Act 1995 provides for the preparation of financial reports.

In accordance with Regulation 34(5), a report on variances greater than the materiality threshold (\$10,000 and 10% whichever is greater) must be compiled and adopted by Council. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

Summary

Consideration of the Monthly Financial Reports for the period ending 31 July 2025 and Bank Reconciliations for the month ending 31 July 2025.

Background

The provisions of the Local Government (Financial Management) Regulations 1996 require a monthly financial report to be presented at an Ordinary Council meeting within two (2) months of the period end date.

Comment

As at 31 July 2025, operating revenue is slightly under the target by \$20,784 (2.65%), mainly due to Grants, subsidies and contributions.

Operating expenditure is below YTD budget by \$566,286 (34.32%), mainly due to Depreciation, which will be posted in Synergy after 24/25 Annual Financial Statement audit. Materials and contracts are down due to delays in operating jobs. Utility charges are below the budget due to decrease in water and power demand.

Investing activities expenses are below the target by \$632,460 (84.91%) due to early days in the new FY. The bulk of Capital projects are not being initiated (89%) or are in an early stage of completion.

Cash at bank is slightly higher than the corresponding period last year. An investment agreement is in place for Overnight Cash Deposit with WA Treasury Corporation for total of \$2,720,021, as well as 2 term deposits invested in CBA – a total of \$9,376,743.

General debtor is \$267,620 with no major outstanding debts to follow up.
