Summary

For Council to confirm the use of the Common Seal on the Extension of Lease document for the use of a room at the Newdegate Medical Centre by Karen Rodgers-Smart of MoveSmart Physiotherapy.

Background

Ms Karen Rodgers-Smart has been leasing a room at the Newdegate Medical Centre since February 2017 for a period of 12 months with a 1 year extension. Ms Rodgers-Smart requested an extension of the lease agreement for a further 3 years. After several conversation due to questions raised regarding the terms and conditions, a Deed of Variation and Extension of Sublease was prepared and subsequently executed by Ms Rodgers-Smart in July 2020.

Comment

On 15 July 2020, the Deed of Variation Extension of Sublease was executed by the Shire President and Chief Executive Officer under seal and Council confirmation is required.

Ms Rodgers-Smart provides a valuable service to the community in both Newdegate and Lake Grace. Execution of the document completes the loose ends from this long process.

9.1.2 LEASE AGREEMENT – BRYAN GEORGE FLEMING

File No.	0362

Date of Report	22 July 2020

Summary

For Council to approve a 5 year lease over portion of the Lake Grace Community Medical Centre consisting of the Dental Surgery to Bryan George Fleming and to approve the use of the Common Seal on the lease document.

Background

Dr Bryan Fleming had been operating as the dentist in Lake Grace for in excess of 20 years. Early in 2018, he sold his business to the Totally Smiles Dental Group based in Queensland and continued to practice from the surgery under the employ of Totally Smiles. A reassignment of lease was prepared and an extension of lease approved for Totally Smiles which was subsequently sent off for execution.

Despite much follow up and after receiving many excuses, the extension of lease was never received neither were any lease payments received.

Around April 2020, it was brought to our attention that the Totally Smiles Dental Group may have been in some sort of financial trouble. After consultation with McLeods Barristers and Solicitors, a Notice of Termination of Lease was sent to them citing the non-payment of the lease and the failure to exercise the option to renew the lease within the required time by not executing the extension of lease. The termination date was 22 June 2020 and nothing was received from Totally Smiles as a result of the notice.

The COVID 19 pandemic saw a cessation of attendance at the surgery in March 2020. Bryan Fleming expressed a strong desire to resume his practice in Lake Grace, given his long association with the district and the numerous requests he has received from his clients as to when he was resuming his visits.

Comment

A new lease agreement has been prepared with a 5 year term, ministerial approval has been received and Bryan Fleming is keen to resume his practice commencing 3 August 2020, with the same conditions as he previously operated under.

The provision of dental services in the shire is seen as providing a very valuable service to the district and complements the existing medical facilities within Lake Grace.

Council is being requested to approve the lease of part of the Lake Grace Community Medical Centre for the purpose of medical patient consultation and treatment to Dr Bryan George Fleming for a 5 year term. Rent to be \$572.00 inclusive of GST per annum payable annually in advance, to be reviewed annually.

Summary

For Council to acknowledge the purchase of a new Deputy CEO vehicle from Narrogin Ford in place of local supplier, Maalouf Ford.

Background

The vacant Deputy Chief Executive Officer position requires a new work vehicle in preparation for a confirmed applicant. The local and preferred supplier Maalouf Ford, does not have the desired model currently available, and the estimated arrival time for one on order will be beyond the date of arrival of the new DCEO.

Comment

As the selection process for a Deputy Chief Executive Officer is reaching the final stages, prior to the commencement of the DCEO start date, we are purchasing a new vehicle for their work-related and personal use.

In accordance to our Purchasing Policy s8 "Buy Local Policy" we have exhausted our options in our procurement due to Maalouf Ford not having that specific vehicle in stock until October 2020.

Management have sourced another dealer, Narrogin Ford, to provide the vehicle which is currently available and falls within the allocated budget for plant acquisition.

Summary

Council's consideration is requested in regards to the Application for Planning Consent for grouped dwellings at Lot 56 (No. 33) Absolon Street, Lake Grace.

Background

On 13 July 2020, the Shire of Lake Grace submitted an Application for Planning Consent to itself for the construction of two dwellings in a grouped dwelling format at Lot 56 (No. 33) Absolon Street, Lake Grace. The Application was passed on to the Shire's Planning contractor, David Johnston at the Shire of Narrogin for assessment of the proposal. Some variations and non-compliance were found which resulted in a letter being sent to adjoining neighbours for comment.

CommentZoning

Lot 56 Absolon Street is zoned residential. The objectives of the residential zone are:

- To achieve a high standard of residential development in accordance with contemporary planning and development practice for the benefit of the community of the Shire of Lake Grace.
- To enhance the character and amenity of residential areas.
- To provide for residential development at a range of densities with a variety of housing types to meet the needs of the community.

- To provide an opportunity for residents to undertake occupations ancillary to the use of their dwelling that are compatible in character, scale and operation with the residential use and which will not have an adverse effect upon the existing character and amenity of these areas.

Under the Shire of Lake Grace Local Planning Scheme No. 4 (LG-LPS4), the proposal for two houses on the same lot can be classed as a grouped dwelling. This is a 'D' use under the LG-LPS4. In the scheme, a 'D' use;

"means that the use is not permitted unless the local government has exercised its discretion by granting development approval."

As per clause 4.2.2 of the scheme;

"the development of land for any of the residential purposes dealt with by the Residential Design Codes is to conform with the provisions of those Codes."

State Planning Policy 7.3 Residential Design Codes

The general development requirements of the residential zone are as per the R-Codes. The proposal has been assessed against the R-Codes and found to be compliant in most areas.

Variations and non-compliance were found for the following:

- Access from both dwellings is from the primary street rather than the required secondary street
 - It is recommended that this variation be supported, as this is in line with existing dwellings in the area. The traffic on Absolon Street and McMahon Street is minor. This variation will have no negative safety impacts.
- Reduced setback of outbuildings
 - Adjoining neighbours have been consulted regarding this variation. Support is recommended. This will ensure the open space can be used more effectively and avoid creating pockets of unusable space between the outbuildings and the boundary fences.
- Lack of disabled access paths connecting all entries to footpath and parking.
 - This requirement is intended for grouped dwellings with a larger number of dwellings that this proposal which is fairly similar to single dwellings. This proposal does not include communal open space or facilities. The addition of a small ramp at each door (four in total) would solve this issue. It is recommended that Council support this variation as a solution can easily be provided on a need-by basis with portable ramps.

Summary

To consider and adopt the Municipal Fund Budget for the 2020/2021 financial year together with supporting schedules, including striking of the municipal fund rates and other consequential matters arising from the budget papers.

Background

The Draft 2020/2021 Budget has been compiled based on the parameters established in the Council integrated planning documents including Long Term financial Plan, Corporate Business Plan and Strategic Community Plan.

Council gave consideration to the detail within the budget via a workshops held in June and July 2020.

Comment

The budget has been prepared to include information required by the *Local Government Act 1995*, *Local Government (Financial Management) Regulations 1996* and *Australian Accounting Standards*. The main features of the draft budget include:

Rating

In accordance with the recommendations from State Government as a result of the COVID19, Pandemic rates for GRV residential properties have been held at 2019/20 rate in the dollar, with a 2% increase factored in for UV (Unimproved Rate) properties and the minimum UV rate increased by \$10.

Sewerage Specified Area Rate

The rating basis for the Lake Grace sewerage specified area rate(s) is the Gross Rental Values (GRV) of properties in the Lake Grace town site, broken down as follows:

- Residential;
- Commercial; and
- Vacant land.

It is applied in full to operate and maintain the sewerage scheme for the Lake Grace town site and, by the very nature of a sewerage scheme, it is clear who gets a benefit (those connected to the scheme) and who does not (those not connected to the scheme).

A 2% increase on this rate has been proposed.

Sport and Recreation Specified Area Rate

This rate category has been removed from the rate portfolio following legal opinion the balance of the funds as at 1 July 2019 has been transferred into the Shire Municipal Account in accordance with the budget resolution of 2019/20 to offset expenses incurred for those facilities.

End of year position

The 2019/20 end of year position is an estimated surplus of \$4,551,348, an increase of approximately \$803,729 from the prior year. There were a number of projects that were not undertaken which has led to this surplus and the COVID19 Pandemic impacted on the Shire's ability to get the resources to complete these projects.

The budget presented to Council for adoption results in an end of year surplus of \$3,923.

Fees & Charges

The fees and charges schedule is presented to Council, including the proposed rates in the dollar to be levied. The rate charges for the Lake Grace Sewerage Scheme are to increase by 2% as per the proposed general rate increase. Fees and Charges have been held at 2019/20 charges with no increase in any category as recommended by State Government due to the impacts of the COVID 19 Pandemic.

A minor reduction in the Bond Hire fee has been recommended and supported by discussions at the Council Budget workshops.

Elected Member Attendance Fees, Allowances & Reimbursement of Costs

The recommendations include the setting of meeting attendance fees and allowances for members. It is proposed to continue the method of paying annual attendance fee; the fees proposed are President \$8,000 and elected members \$4,000.

The President's allowance of \$20,063 the Deputy President's allowance \$5,015.75 are to remain at 2019/20 rates in accordance with Salaries and Allowances Tribunal determination released 09 April 2020.
