Summary

To consider and adopt the Shire of Lake Grace Budget for the 2026/2027 financial year together with supporting schedules, including striking of the municipal fund rates and other consequential matters arising from the budget papers.

Background

The 2026/2027 Budget has been compiled based on the parameters established in the Council integrated planning documents including Long Term Financial Plan, Corporate Business Plan and Strategic Community Plan.

Council gave consideration to the detail within the budget after working through three budget workshops in May, June and July 2026.

Comment

Further to the Budget Workshops and Ordinary Council Meetings all changes have been incorporated into this document along with all committed projects not complete as at 30 June 2026.

General Rates

The budget has been formulated with an increase of 3% on rate in the dollar for GRV (within town site) rate revenue and 3% on rate revenue for UV properties. The UV valuations carried out by Landgate substantially increased the value of these properties (on average by 20.81%) which has had a bearing on the setting of rates. This has led to the rate increase being formulated off total revenue which will reduce the rate in the dollar.

Borrowings

The outstanding loan principal on 1 July 2026 is \$1,414,949. The principal repayments for 2026/27 amount to \$208,984 and interest payable of \$63,868 leaving a balance of \$1,205,964 on 30 June 2027.

Reserve Transfers

Council commences the new financial year with \$8,132,381 in its reserve accounts. The budget proposal includes transfers to and from reserves and interest with a predicted decrease overall in reserve funds of \$206,157.

Transfers to Reserves:

• Recreation (Lake King Pavilion Project)	\$200,000
• Office Furniture & Equipment (ERP upgrades circa 2030)	\$49,005
• Centenary (Lake King/Varley)	\$20,000
• Interest	\$290,941

• Land Development (Industrial Land Project)	\$200,000
• Plant Replacement	\$415,000
• Essential Medical (offset part cost of medical services)	\$100,000

The above transfers and interest earned will budget to give Council a closing balance of \$7,926,224 at the end of the 2026/27 financial year.
