

The Shire of Lake Grace - Survey Questions  
Please return to the Shire office before 12 August 2021

What industry are you in?

---

Have you been trying to employ more workers?

---

How many workers are you short of?

---

How long have you been trying to attract workers?

---

What workers are you looking for? Skilled, unskilled, tradesman.

---

What measures have you been taking to attract workers?  
(e.g. pay incentives, housing incentives)

---

What do you see as being the main reasons why you can't get workers?  
(e.g. too many COVID incentives – Jobseeker, lack of suitable housing, no-one wants to leave the city)

---

As a joint venture between the shire and businesses what do you think we could do to attract workers? Please bear in mind that this is not solely a shire problem but it is across many businesses within the shire

- Television campaign. (like Kalgoorlie Chamber of Commerce)
- Newspaper campaign extolling the benefits of moving to the country and working.
- More affordable housing
- Engage with migration agents to seek overseas workers.
- Would you be prepared to contribute towards a TV or newspaper campaign
- Anything else
