

Shire of Lake Grace

ISSUE 18 2024

Lake Grace ○ Newdegate ○ Lake King ○ Varley ○ Pingaring

From the Chief Executive Officer

I am pleased to advise that on Wednesday 18 September we received advice that we had been approved grant funding of \$255,632 from the State Government Infrastructure Development Fund.

These funds will be used towards water, wastewater and sewer infrastructure to assist with the development of more housing blocks on the east end of town. Whilst we did not receive the full amount that we applied for which would have enabled us to develop 21 lots it will enable us to develop 7 lots to get the ball rolling.

Nevertheless, these funds are gratefully accepted and we thank the State Government for providing the funds to enable us to further enhance the development of Lake Grace.

Youth Advisory Committee (YAC)**Call for Youth to nominate!**

The Shire of Lake Grace is looking for Youth aged 10-17 years, who live in the Shire of Lake Grace, want to develop themselves and to make a difference in their community. YAC is focused on empowering youth-led, youth-driven projects which give young people the ability to organise and lead local projects. The YAC will be formed under the Lake Grace Development Association (LGDA) and be supported by the Shire of Lake Grace. The YAC will present thoughts and opinions of local youth to the LGDA, Shire of Lake Grace Council and wider community to advocate for the needs of young people. This ensures that young people are given a voice at Local Government Level.
