Community Development & Events

It's hard to believe that we are heading into Christmas already, with this being our last newsletter for 2024.

We finished off the year with a bang, co-hosting the Harvest Festival with Lake Grace Community Resource Centre, and celebrating the official opening of the All Abilities Playground.

Despite the hot weather, the community turned out in large numbers, and from the feedback we've received, the All Abilities Playground location was a huge hit, especially for families with young children.

The playground is certainly something to be proud of, with so many community members involved in the project over the past decade. Seeing it come to fruition under the watchful eye of Craig Elefsen, Manager of Infrastructure Services, has been a highlight for us all this year.

Angie Roe Photography, photographer for Pathways to Wave Rock and Roe Tourism has captured some beautiful images of the Harvest Festival and All Abilities Playground, which we will share with you over the coming weeks. You will see a snippet of these on the front page of this newsletter.

The Shire and Lake Grace CRC are seeking feedback on the Harvest Festival, which can be provided by scanning the below QR code and completing a short survey. The results will be used to shape future community events and your input and ideas are greatly encouraged.

As we head off for a short break, our attention is already turning to 2025, with some exciting projects in the pipeline. We have recently been awarded a number of grants to assist with these projects, including:

- Community Sporting and Recreation Facilities Fund (CSRFF) - Newdegate Bowling Club Green Reconstruction and Resurfacing Project
- Heritage Council of WA Community Heritage Grants Program - AIM Hospital Museum Project (Stage 1)
- Department of Communities Community Gardens Grants Program
- Youth Week WA 2025

We look forward to sharing more about these projects in the New Year, but for now, the Shire of Lake Grace would like to wish you all a safe and happy Christmas and all the best for 2025!
