## Youth Week WA 2025: Lakes Youth Challenge

Another successful Youth Week has drawn to a close, with over 100 youth from Lake Grace, Newdegate and some from as far away as Perth participating across two events.

This year's Youth Week WA 2025 – Lakes Youth Challenge was funded by the Shire of Lake Grace and Department of Communities' Youth Week WA Grants Program, with support from Lake Grace Golf Club, WA Police and the Blue Light WA program, and Lake Grace District High School P&C.

Youth Week got underway on Friday 11 April, the last day of school for Term 1, with a Blue Light Disco. The Town Hall was transformed into a neon spectacular, with DJ Wade and DJ Scott from Lake Grace Police Station putting everyone through their paces with limbo, dance competitions and plenty of thumping tunes.

Our main event, the Lakes Youth Challenge, was held on Wednesday 16 April at the Lake Grace Golf Club.

Laserscape returned to town with their hugely popular laser tag team games, which were held in the bushland surrounding the golf course. This location provides a challenging and enjoyable space for laser tag, with teams having to think strategically to come away with a win.

Radrock came to town with their eight-metre-high rock-climbing wall, and bungee trampolines. Catering to all skill levels, from beginners to competent climbers, the Radrock instructor provided extra challenges as youth increased their confidence with each climb. Everyone had lots of fun on the bungee trampolines, which provided opportunities for youth to create their own competitions, such as who could do the most front flips and back flips or seeing who could bounce the highest.

Thank you to all our supporters and volunteers. Without your on-going help and support these types of events wouldn't be possible.
