

Shire of Lake Grace

ISSUE 16 2026

Lake Grace ○ Newdegate ○ Lake King ○ Varley ○ Pingaring

Infrastructure News

As the 2026/27 budget has now been finalised and passed by Council, we are busy working on a number of projects for the coming months, more information to follow.

Our winter grading program has been going gang-busters and in July alone, Shire staff & contractors completed works covering over 500km of roads throughout Lake Grace, Newdegate, Lake King & Varley.

As a reward to our hard-working graders, they had a day out to take part in the CAT Next Gen Roadshow that was held out in Kojonup. The crew had the opportunity to hear all about the new 140 Grader and, they were able to take it for a spin. They were both suitably impressed with the handling and new features. A big thank you to CATERPILLAR and WESTRAC for inviting us along.

Whilst this was going ahead the Newdegate Community Bus was up in Perth having a makeover. Bookings for the bus can now be made through The Newdegate Field Days, please contact Rocky Walker on 0419 924 501 for more information.

The Visitors Centre has also had a mini makeover and has been painted inside, and the lights have been upgraded. The deck will be oiled once the weather is a little more predictable.

Infrastructure Team

Next Council Meeting

3.30pm, Wednesday 23rd September

A minimum of 15 minutes is set aside for public question time, giving community members an opportunity to ask questions relating to Shire activities. All welcome.

Upcoming agendas, and minutes from previous meetings are available for public viewing at: www.lakegrace.wa.gov.au

the growing centre

Infrastructure News Cont.

The new toilet at the CWA has been installed this week and is looking great, the finishing touches will be carried out the next few days. The new location provides easy access straight from the CWA building and also from the upcoming Community Garden.

We are currently working with our new CESM, Matt Clarke, and the Volunteer Fire Rescue Service to undertake a controlled burn of green waste at the Lake Grace Tip (dates to be confirmed). The burn will be actively managed & monitored over several days to ensure it is conducted safely.

Lego Club News

Lego Club has finished up after a very successful term 3. It is always great to see what creative wonders the kids can come up with and how differently everyone interprets the themes given.

Thank you to everyone who comes along to the sessions, it is great to provide these activities to the kids.
